Riverbend Park Offers Raptor Feeding

The red-tailed hawk is the most widespread and familiar member of the American large soaring hawks, and one can be found right here in Great Falls, Virginia. In case you have not already done so, meet and greet the infamous Emmylou, Riverbend Park's resident red-tailed hawk.

On Wednesday, November 28, 2007, from 2 to 2:45 p.m., the Fairfax County Park Authority invites you to explore the world of raptors, engage in fun and entertaining games, and witness Emmylou devour her meal.

The program is suited for children age three to five and a \$6 prepaid reservation is required. For more information or to reserve, call 703-759-9018.

Riverbend Park is located at 8700 Potomac Hills St. in Great Falls.
